

Mother to Daughter Connections

July 24th– 25th

You're Invited!

Mothers with pre-teen to teenage daughters (12-16 years old) are invited to attend this fun workshop to learn how to connect, communicate, and build strong relationships by teaming up to tackle the "big" issues that teen girls may face during their adolescent years. A family counselor will be present to offer guidance and to answer questions about communicating with each other.
